### NEXT ROCKET REVIEW

Wed., Oct. 23, 2019

**“Set your minds on things above, not on earthly things.”**

**Colossians 3:2 (ESV)**

We would like to take a moment to celebrate the life of Heather Began, daughter of Bob and Julie Began and older sister to Hannah Began. Julie is an important part of our ALIS staff family. She has served as the head cook for the past several years and works diligently to provide nutritious meals that students enjoy eating. We pray that God would wrap this family in love and peace knowing that Heather is in Heaven. We also ask that He carry them as they continue their earthly lives doing the work that God has intended for them to do. May they find joy knowing that, one day, they will be reunited with Heather in heaven.

Heather served as a substitute teacher at ALIS and as an aide at AGS prior to relocating to Avondale, Arizona, where she served as a 1<sup>st</sup> grade teacher. Like her mother, Heather had a strong faith, giving heart, and a passion for serving others. She served as an excellent role model to those around her and had a passion and energy that just made you want to smile. While she was on this earth only 25 years, there is no doubt that Heather planted seeds of faith in those she encountered.

“His master replied, ‘**Well done, good and faithful servant!** You have been **faithful** with a few things; I will put you in charge of many things. Come **and** share your master’s happiness!’ Matthew 25:21

Due to the geographic distance and multiple trips required for the Began family to settle Heather’s affairs, ALIS will be taking donations to help offset travel expenses. These donations may be sent to the school office in an envelope marked “Heather”. Checks can be made out to ALIS. We are hoping to raise \$2,000 by Friday, October 18.
